

ADOPT ME! Come meet SYLVESTER! He is at our PetSmart location, so if you are interested, give us a call during our public hours at 732-248-7278 and we will meet you there.

He is a BIG HANDSOME TUXEDO BOY who just wants to be FREE to roam in his own home. He is social and likes to be petted, and other times, he wants to be left alone. He came in as a stray and would really love to have a family. He would like to be able to choose to lounge on the couch, your bed, the floor, on the rug, near a sunny window or maybe his own bed. He is looking forward to some new scenery. SYLVESTER is ready to move on to BIGGER and BETTER things.
