

Coronavirus (COVID-19) Funeral Assistance

The COVID-19 pandemic has brought overwhelming grief to many families. At FEMA, our mission is to help people before, during and after disasters. We are dedicated to helping ease some of the financial stress and burden caused by the virus.

FEMA is providing financial assistance for COVID-19 related funeral expenses incurred after January 20, 2020.

To be eligible for funeral assistance, you must meet these conditions:

- The death must have occurred in the United States.
- The applicant must be a U.S. citizen, non-citizen national or qualified alien who incurred funeral expenses after January 20, 2020.
- There is no requirement for the deceased person to have been a U.S. citizen, non-citizen national or qualified alien.
- The deceased person's death certificate must indicate the death was attributed to or caused by COVID-19. If a death occurred between Jan. 20 and May 16, 2020, and the death certificate doesn't attribute the death to COVID-19, include a signed statement from the death certificate's certifying official, local coroner or medical examiner that links the cause of death to COVID-19.

Which expenses will qualify for reimbursement?

Examples of eligible expenses may include, but not limited to:

- Transportation to identify the deceased individual
- The transfer of remains
