During this time of crisis, I understand faith and worship can be a source of solace and calm. With the existing recommendations of quarantine and social distancing, practicing your faith in groups is difficult. I have directed the production team of Edison TV to accept recorded sessions of your faith's worship so they can be rebroadcast on cablevision channel 15 and FIOS channel 45. The recorded sessions will also be made available on the video on demand section of the township's website, <https://www.edisonnj.org>.

Please reach out to Mike D'Amato, station manager at 732-248-7426 or mdamato@edisonnj.org to arrange for your video to be made available.

Below are the format requirements for the video

- file extensions: .MPEG, .MOV, .MP4
- video: 1080p, 720p, 480p

Please use a file sharing service such as Google Drive, Drop Box, etc. and email mdamato@edisonnj.org

Please allow 24-48 hours for the video to be posted after it is received by the studio's production staff.

We wish you good health and stay safe,

Sincerely,
