## **Middlesex County** **VOTE 2021 General Election**

The Vote 2021 General Election campaign launches county-wide on September 13th and informs constituents of the 2021 election process and the main ways to vote: by mail, early in-person or in-person on Election Day.

Our integrated, multi-lingual campaign will run on local TV, digital media, County billboards, print ads in newspapers and the County's YouTube pages.
