Construction Notice to:
Residents of North Eighth Ave and Edgemount Road
Edison Township

Date: July 14, 2021

Please be advised that Underground Utilities Corporation has been contracted by the County of Middlesex for the project Replacement of Culvert 2-C-652 located on North Eighth Avenue near the driveway entrance for #408 North Eighth Avenue.

During improvements, alternate portions of North Eighth Avenue on opposite sides of the center island will be closed from Celler Road to Edgemount Road. A two-way traffic pattern along North Eighth Avenue will be maintained at all times during the construction of this project.

This work is scheduled to begin on or about Monday, August 30th, 2021, weather permitting and continue to late July 2022.

This letter serves as notice and to make you aware of these construction undertakings and the anticipated progression of the project. We emphasize caution and safety and ask that you please be mindful of the surrounding construction equipment and any irregular and/or unusual site conditions. Please refrain from entering the designated work area and obey all traffic and site safety signs and measures in place.

For any questions regarding the work being completed, please do not hesitate to contact William Obara, the Project Manager of the Consulting Engineer retained by the Middlesex County Engineer's Office, at 732-577-5547.

Please pardon the temporary interruption while these permanent improvements are constructed and we would like to thank you in advance for your patience and cooperation.

Thank you,

Underground Utilities Corporation
